COMUSFLTFORCOM 4790.3 Revision B, Change Transmittal 4

Subj: JOINT FLEET MAINTENANCE MANUAL

- Encl: (1) COMUSFLTFORCOMINST 4790.3 Rev B Ch-4, CD-ROM version without Volume V, Part II (Naval Nuclear Propulsion Information (NNPI) Removed)
- (2) COMUSFLTFORCOMINST 4790.3 Rev B Ch-4, CD-ROM NOFORN version (NNPI) included

1. Purpose: To promulgate Change 4 to Revision B of the Joint Fleet Maintenance Manual (JFMM).

2. Discussion:

a. Change 4 to Revision B adjudicates 149 change requests submitted by JFMM users, clarifies requirements, updates procedures to reflect current practice, reduces redundancies to the instruction, and supports the overall objectives of the JFMM.

b. Activities on distribution not requiring access to NNPI will receive enclosure (1).

c. Activities that require access to the NNPI contained in Volume V, Part II will receive enclosure (2). Enclosure (2) is NOFORN and contains NNPI information that must be safeguarded per NAVSEAINST C5511.32.

d. The JFMM is available on the World Wide Web at [www.submepp.navy.mil/jfmm.htm](http://www.submepp.navy.mil/jfmm.htm) and is distributed on CD-ROM to those Activities authorized as indicated on the official distribution list, also available on the website.

e. Activities on distribution for the JFMM that require additional copies or Activities wanting to be added to the distribution list should submit a letter to their applicable Type Commander, identifying the number of CD-ROM required along with justification for the request as identified in Volume I, Chapter 1, paragraph 1.4 of the manual. Casual, informal and infrequent JFMM users will be referred to the web site identified in paragraph 2.d.

f. Questions regarding JFMM distribution or Life Cycle Management should be directed to the Submarine Maintenance Engineering, Planning, and Procurement Activity, Mr. Jim Morrissette, commercial (207) 438-6182, DSN 684-6182, or via e-mail: PTNH.SUBMEPP.JFMMMGR@NAVY.MIL

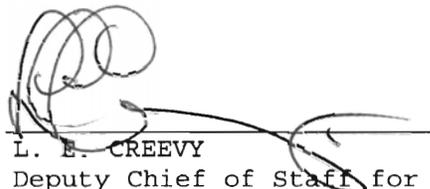

3. Action:

a. Replace Revision B Change 3 of COMFLTFORCOMINST 4790.3 with Revision B, Change 4 of COMUSFLTFORCOMINST 4790.3 in its entirety. Discard the COMFLTFORCOMINST 4790.3 Revision B Change 3 CD-ROMs.

b. All Activities shall conduct a detailed review of Revision B, Change 4 of COMUSFLTFORCOMINST 4790.3 using the Revision B Change 4 change synopsis located on the CD-ROM. Training shall be conducted for all personnel whose work assignments may require them to be familiar with the requirements of the JFMM. PowerPoint training files highlighting the major changes are located on the CD-ROM.

4. Implementation: Naval Supervising Authorities and other work-authorizing Activities are to implement this change as soon as practical to insure implementation does not create delay and disruption or unnecessary costs to the Government for ongoing ship maintenance work. Report implementation status within 30 days of receipt of this letter and as necessary thereafter until completely implemented.
